IMMEDIATE RELEASE

DATE: April 1, 2014

Public Scoping Meeting: Environmental Assessment for New Robley Rex VA Medical Center

The Department of Veterans Affairs (VA) hosts a public scoping meeting inviting comments from Veterans, stakeholders, government agencies, and members of the public for a site-specific environmental assessment (EA) regarding the construction and operation of the proposed new Robley Rex VA Medical Center (VAMC). The proposed new VAMC would be located at 4906 Brownsboro Road, and the intersection of I-264 (Watterson Expressway). The VA requests input on potential environmental impacts from this proposed VAMC action, and suggestions to mitigate any impacts. This meeting complies with the VA's procedures for preparing an environmental assessment under the National Environmental Policy Act.

WHAT: VA Public Meeting – “Environmental Assessment of Proposed Construction and Operation”

WHEN: Wednesday, April 16, 2014
7:00 – 9:00 pm

WHERE: Clifton Center – Eifler Theatre
2117 Payne Street
Louisville, KY 40206

Doors open at 6:30 pm to review displays and obtain handouts and forms for written comments. A brief presentation begins at 7:00 pm, after which the public has the opportunity to provide oral or written comments regarding construction and operation impacts. Comments may also be submitted to LouisvilleReplacementHospitalComments@va.gov by April 25, 2014.
